This is what I was talking about earlier. It doesn't really compare to our situation IMHO.

Subject: For approval : RFA for the National Sentry Program

Hi team,

I've received an RFA for the National Sentry Program.

The NSP provides unarmed CAF sentries to the National War Memorial, Tomb of the Unknown Soldier and Ceremonial Guard.

Since the murder of Corporal Cirillo, security is provided. Normally that would fall to the POJ (Ottawa Police) but they haven't been able to provide for the last 4 years. RCMP also declined to provide armed security. For the last four years, security was provided by CAF. They are looking to get this agreement renewed and deployment could be as soon as this Friday.

Rob Stewart and MND is recommending we approve the RFA.

Unless there a particular reason not to, I'll recommend the same to the Minister.

Thank you,

Loïc A. Paré, LL.B.
